general information

Department "Information systems and networks" formed on June 1, 1995, by order of the rector "Lviv Polytechnic" after the adoption of the relevant decision by the Academic Council of the University. MIS Department staff at the time of formation consisted of five teachers, one engineering staff, three staff RL and a group of young graduates, who vyokremlysyia from the Department of ACS and were united by a common scientific problems of information modeling, database systems and knowledge.

History Department

The establishment of the department was recognized as the de facto and de jure birth of "Lviv Polytechnic" new young scientific school, most of the credit in the formation of which the outstanding Ukrainian Cybernetics Academician Victor Glushkov and member of the National Academy of Sciences of Ukraine, Professor Anatoly Alexandrovich Stogniy. Invaluable role in its formation played a native of Zolochivschini, senior researcher of the Institute of Cybernetics of NAS of Ukraine, in the future, Deputy Director of the Research Institute of Applied Information Sciences of Ukraine Joseph I. Brona.

Initiated the formation of MIS department, the leader of the scientific school "Lviv Polytechnic" with information modeling, database systems and knowledge, Head of the Department on the first day of its operation was Ph.D., professor Pasichnyk Vladimir .

Since 1996, the department was involved annual international specialized exhibitions, including "Computer and Office" and "Computer + Business". A few years was a permanent member of the worldwide IT exhibition CEBIT (c. Hanover, Germany). Research efforts of the department since 1997 regularly issued scientific

Department of Information Systems and Networks

unit Type	chair
Abbreviation	ISM
Date of foundation	1995
Founders	National University "Lviv Polytechnic"
Membership	Institute of Computer Science and Information Technology
Head of Department	prof. V. Lytvyn Vasyl
Location (address)	Andrew vul.Mytropolita 5, 79013, Lvov; 4th building, room. 122a
Periodicals	Proceedings of the National University "Lviv Polytechnic" "Information Systems and Networks"

journals Proceedings of the National University "Lviv Polytechnic" "Information systems and networks", which included HAC of Ukraine to the list of professional publications to publish the main results of dissertation research.

In 2008, the Department initiated the publication of textbooks within two educational series. In particular, in the series "Science" published the following textbooks stamped MES of Ukraine: "The data and knowledge bases", "Discrete Mathematics", "Theory of decision-making." In the series "Komp'yutynr" the lecturer ISM prepared and published the following books and manuals stamped MES of Ukraine "data warehouse", "database systems and knowledge", "Intelligent Systems" Discrete Mathematics ", " Operations Research " "System analysis" and so on.

During the 2012-2014 biennium. Acting Head of the Department acted Ph.D., professor Zhezhnych Pavel Ivanovich . From December 2014 to now the department is headed by Ph.D., professor Lytvyn Vasily Vladimirovich .

Teaching

MIS department provides training for these high-end educational levels:

The first (bachelor)

- Computer Science and Information Technology
- System analysis

The second (Master)

- Computer Science and Information Technology
- System analysis

The third (education and research)

- PhD
